CSR Activities of Tysers in Bangladesh

BIA Tysers Award Fund

Beneficiary:

Meritorious graduates of the Bangladesh Insurance Academy (BIA) passing out from different courses every year.

Objectives:

- 1) To contribute to enhancing the quality of human resources in the insurance industry in Bangladesh
- 2) To improve the capability, capacity and effectiveness of the insurance industry for developing the country's economy and society as a whole

Description:

Since 1987, Tysers Insurance Brokers Limited has been awarding scholarships/awards/rewards to the students of different courses enrolled in Bangladesh Insurance Academy (BIA), every year. This is aimed at spreading knowledge about the insurance industry amongst the professionals working in this domain in Bangladesh. In doing so, Tysers expects graduates from BIA will be able to accentuate their knowledge of the insurance business, its products and services, and thus contribute to higher knowledge and skills-based insurance business in Bangladesh.
